Title: Method and System for Discount Debit Card

Hon. Commissioner of Patents, Alexandria, VA. 22313

Supplemental Amendment in Response to Office Action, Mailed 04/24/2007

This Supplemental Amendment adds system claims 35 and 36, dependent from parent claim 29 (New), and supplements arguments to examiner's rejection based on the Harris and Pierce, patents, separately or in combination, and includes a fee statement which was not included in the previous submission. There were 27 total original claims, including 3 independent claims. Original independent claim 19 and dependent claims 20 to 27, are cancelled. New independent claim 28 and dependent claims 29 to 36 are added, making a total of 27 claims including 3 independent claims in this amendment, and no fees are due. The supplemented parts, except for the new method claims, are underlined.
